"A classic, invaluable blockbuster history of the civil rights movement."

— *Kirkus Reviews*

"No other elected official in America embodies the grand legacy of Martin Luther King, Jr. more than John Lewis. In other words, he is a national treasure. Read this book and see why!"

— Cornel West

"This story of courage and hope should be read by Americans of all races and backgrounds, young and old. John Lewis spent most of his life walking *against* the wind of the times, but he was surely walking *with* the wind of history.

— Senator Edward M. Kennedy
